organizer  
on May 29 1963 I requested permission  
from the FPCO headquarters at 299 Broadway  
New York 3, N.Y. to try to form a local  
branch in New Orleans. I received a  
cautious but enthusiastic go-ahead from  
V.T. Lee notarial Director of FPCO. I  
then made a logo and had printed  
public literature for the setting up of  
a local FPCO. I hired persons to distribute  
literature. I then organized persons who  
display receptive attitudes toward Cuba  
to distribute pamphlets. I sought response  
from Latin American consuls of which there  
are many here in New Orleans, I infiltrated  
the Cuban Student Directorate and that  
harassed them with information I gained  
including having the N.O. city attorney  
general call them in and a restraining  
order pending a hearing on some so-called  
bonds for invasion they were selling  
in the New Orleans area. I caused  
the formation of a small, active, FPCO  
organization of members and sympathizers.  
When before there was none.
